

# **Warwick Kart Club Track Inspection – 23/02/2011. Track Report.**

## **The below to be completed before the next race meeting.**

1. Barrels between Flag Point 4 & 5 to be placed 300mm before wire mesh fence; Move existing mulch/woodchip to before the barrels, with a 300mm air space between mulch/woodchip & barrels.
2. Continue wire mesh fence around to Flag point 5. Mulch/woodchip to be placed in front of this with a 300mm air space between; Mulch/woodchip to be as per Rule 18.09.2. (a) (i), i.e. Minimum of 2metres wide by a minimum of 300mm high at the leading edge, the leading edge to be kept as near to vertical as possible.
3. Fire Extinguishers to be currently certified.

## **The below to be completed by the 1<sup>st</sup> June, 2011.**

1. All Flag Points to have a second row of tyres, with 300 mm air space between first row, and angled accordingly. Same on other side for reverse direction racing.
2. Fresh woodchip for existing barrier left side of fence.
3. Back fill all areas of track where needed.
4. All woodchip to be fluffed up & topped up with fresh woodchip, to comply with Rule 18.09.2 (a) (i).
5. From barrels at Flag Point 4, woodchip, as per Rule 18.09.2. (a) (i), to continue down centre of infield to approximately 4 metres before the bitumen edge, at corner adjacent to complex entrance.
6. On outside of corner, at fence, fluff up woodchip & top up with fresh woodchip as per Rule 18.09.9a) (i).

7. From corner, all along roadside section of perimeter fence, bring woodchip forward to have a 300mm air space between woodchip and fence.
8. Ripple strip to be placed on outside of track between Flag point 4 & 5.
9. Existing tyre barriers to be straightened up.
10. Spray all ripple strips to remove grass growing over them.
11. Barrier at Starters area to be extended further towards track & back to outside fence, with second row, 300mm air space between, angled accordingly. Same on other side for reverse direction racing.
12. Continue row of barrels at perimeter fence line in front “Mack Trucks” sign to Pit corner.
13. “No Smoking” signs to be prominently displayed in various areas of the Paddock/Parc Ferme area.
