Championship Eligibility	**Members must compete in at least four (4) race meetings per Class to be eligible for Championship. Results from the best 6 rounds (out of 7) will be counted towards the Championship. For the avoidance of doubt, this means that if less than 7 rounds are competed in by a member, all points accumulated by that member will be counted towards their Championship total.** **Under NO circumstances can you drop a round at which you have been disqualified or received any formal disciplinary action against you.** **All available race meets will count towards the Championship unless noted otherwise in the Supplementary Regulations. Members (or parents of minors) are required to do 2 "events" for the club per competitor per class to qualify for the Club Championships. These "events" could be any of the following and need to be approved by committee prior to undertaking:** **1. A one day working bee** **2. Help at a race meet (equivalent one full day)** **3. Assist the club financially in the running of a race meet (a business owner could sponsor a class for example at Top Guns)** **4. Performing tasks for the club that we would normally have to payfor (tradesman, business owners that offer their services free of charge etc.),** **5. Donating resources or skills that the club does not have (this could be designing a web site, keeping the club championship points etc.)** **6. Becoming a committee member.** **7. Members must be current financial members at a race meet to accrue points from that meet, no backdating of points will occur.**

Championship Round Dates	**All race meets at Warwick Kart Club are championship rounds unless otherwise advertised and except our Junior Top Guns and Christmas Meets.**
Championship Point Scoring System	**For each championship round, rankings will be based on an ordered list of WKC members in accordance with the final Orbits results for that round.** **Each members ranking will then be converted into Championship Points in accordance with the attached Points Schedule.** **By example, should two WKC members compete in a field of 5 competitors, one will rank 1st and be awarded 40 championship points, the other will rank 2nd and be awarded 38 championship points.**
Cancelled Rounds	**In the event of an unforeseen abandonment of a club meet due to reasons outside the control of the Warwick Kart Club Committee, the committee reserves the right to change the number of rounds in a championship.**
Championship Trophies	**Trophies will be awarded to the top 3 members for each class for the overall championship in each eligible class. For the avoidance of doubt, should two members tie for 2nd place, WKC will award a 1st place and two 2nd places. Should two members tie for 3rd place, WKC will award two 3rd places.** **P Plate classes ONLY are not eligible for a championship eg. Cadet 9P and Cadet 12P** **Minimum of two members per class are required to be eligible for a championship**
Other Details	**These Championship Regulations are to be read in conjunction with the Supplementary Regulations for Each Round of the Club Championship**
